RE: Ms. Paulinski Leave of Absence

Cc: Ms. Gulley, Ms. Paulinski, and Ms. Watts

I am writing to inform you that Ms. Paulinski needs to repeat her rotator cuff surgery from last year that did not heal properly. Although this surgery must be done as soon as possible, she has stayed on to finish out the curriculum. Her last day of school will be May 17th.

Ms. Paulinski will administer the NWEA Math test to all 6th graders during the week of May 15th. Ms. Thorton, who has a math certification, will be the substitute teacher during her absence. During this transition, we will need your support.

If you would like to assist with end of the year 6th grade activities/celebrations please contact Ms. Navarro, Ms. Nickerson or myself.

Lastly, let's all wish Ms. Paulinski the very best on her surgery and recovery. The physical therapy process is a very long and laborious process.
