7th Grade (ELA, SS, Science)

It's crucial to be well-prepared with the right materials to maximize learning and organization. Please note, that throughout the year, Science and Social Science will require students to bring additional materials for Fair participation and science labs. Here's a suggested supply list tailored for these subjects:

- Two Notebooks PER CLASS (Total 6): Dedicated notebooks for each subject help keep class notes and information well-organized, making study and review sessions more effective
- Folders (Total 6): Utilizing separate folders for each subject will help manage handouts, returned assignments, and other important papers, ensuring nothing gets lost and everything remains easily accessible.
- Pencils and Pens: Essential for taking notes, completing assignments, and making annotations. Pencils allow for easy corrections, while pens can be used for more permanent entries.
- Highlighters: A must-have for emphasizing key details in notes and texts, which is especially useful during revision.
- Sticky Notes: Perfect for making quick annotations in textbooks without writing directly on the pages, and for marking important pages for easy reference.
- USB Drive: To save and back up digital projects

8th Grade (Math)

- Graphing Calculator: A graphing calculator like the TI-84, especially useful as students prepare for high school math.
- Composition Notebooks: For taking notes and solving math problems.
- Pencils and Pens: Both for drafting and finalizing work.
- Erasers: Large, high-quality erasers for clean corrections.
- Binder with Tab Dividers: To organize units and separate subjects within math.
- Graph Paper Notebook: Essential for graphing, plotting, and accuracy in geometry.
- Ruler and Compass: For precise measurements and geometric constructions.
- Highlighters: Multiple colors to organize and highlight study notes.
- Sticky Notes: For annotations and quick reminders in textbooks and notebooks.
- USB Drive: To save and back up digital projects or homework.
